Electronic Record and Signature Disclosure		

Electronic Signing

Please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Electronic Signatures

You agree to execute the document by fixing your electronic signature and being transmitted by electronic means, and copies of this document executed and delivered by means of electronic signatures shall have the same force and effect as copies hereof executed and delivered with original signatures. All parties hereto may rely upon electronic signatures as if such signatures were originals. All parties hereto agree that an electronic signature page may be introduced into evidence in any proceeding arising out of or related to this Agreement as if it were an original signature page.

Electronic copies

You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you electronic copies of any such documents, you may request from your contract person of the Company.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system.
